California's Minimum Nurse Staffing Legislation: Results from a Natural Experiment

Sep 9, 2014

Publication Type: Journal Article

Authors: Mark, B. [1]; Harless, D. [2]; Spetz, J. [3]; Reiter, J. [4]; Pink, G. [5]

Keywords: Nurse staffing ratios; hospitals; quality of care; California AB394 [7]

Abstract:

<p>Objective</p>

To determine whether, following implementation of California's minimum nurse staffing legislation, changes in acuity-adjusted nurse staffing and quality of care in California hospitals outpaced similar changes in hospitals in comparison states without such regulations.</p>
